Congratulations to the 2024 International Graduates!

On behalf of National Dong Hwa University, I am honored to extend our heartfelt congratulations to the Class of 2024 international graduates. Your dedication, hard work, and resilience have culminated in this significant achievement, and we are immensely proud of each one of you.

Located in the beautiful Shoufeng township of Hualien, nestled between majestic mountains and the Pacific Ocean, National Dong Hwa University has been a beacon of excellence and a hub of cultural exchange for the past 30 years. Despite the challenges we faced this year, including the devastating earthquakes on April 3rd that severely impacted our campus, your perseverance and spirit have shone brightly.

This year has not been easy, especially for our international students. The earthquake caused significant damage, with one building catching fire and several dormitories being ruined. Yet, you stood strong, adapted to the circumstances, and continued your pursuit of knowledge with unwavering determination. Your resilience in the face of adversity is truly commendable and serves as an inspiration to us all.

Your time at National Dong Hwa University has been marked by academic excellence, cultural exchange, and personal growth. You have enriched our community with your diverse perspectives and have set a commendable example of global citizenship. As you venture into new horizons, we are confident that the education and experiences you have gained here will empower you to make meaningful contributions to the world.

Embrace the future with confidence and continue to strive for excellence in all your endeavors. Remember that the strength you have demonstrated during these challenging times will be a powerful asset in overcoming future obstacles.

We celebrate your success and look forward to witnessing the positive impact you will have on the global stage. Congratulations once again, and best wishes for a bright and prosperous future!

Warm regards,
