uni-siegen.de

The City of Siegen

- Area: ca.114 km²
- Population ca. 105.000
- State of North Rhine-Westphalia
- “Greenest” city of Germany
- Situated in a very strong industrial region
- High quality of life

The University of Siegen

- **Founded in 1972**
- **Number of students in 2022: approx. 18.000**
 - Female students approx. 9.900
 - International students approx. 2.430
- **Staff**
 - 260 professors
 - 1.160 scientific staff
 - 850 technical + administrative staff
- **23 Research Centers and 6 campuses**

The University of Siegen

- ... is a young, modern institution of higher education in the center of a border triangle of the German states of North Rhine-Westphalia, Hesse, and Rhineland-Palatinate
- ... is positioned as a medium-size research university and as a university in its region and for its region
- ... scores with its highly interdisciplinary research and teaching
- ... puts particular emphasis on supporting its students
- ... strongly pushes internationalization
- ... follows the guiding principle: **Shaping a Humane Future**

Why Siegen?

The University and the region

- Great support (professional + administrative)
- Semester ticket for the whole region
- No tuition fees
- Industrially strong region (home to many "hidden champions")
- High quality of life
 - Region rich in forests - air + water quality
 - Affordable rents / real estate
 - Safe and secure
- Many family-run businesses
- Ideal location (Frankfurt - Cologne - Bonn - Düsseldorf)
